Dear Mr. Cowles:

I was tremendously touched to receive the handsome book on the Kremlin and particularly by the inscription in it by you.

It was an honor to be included in the fall meeting of the C.E.D. and be given the opportunity to say a few words. I never had the slightest expectation of receiving such a delightful additional bonus.

The book is indeed lovely, naturally of great interest to me, and will be appreciated by the entire family because both boys are taking courses in Russian history.

With many thanks again and hope that you will not hesitate to call on us whenever we can be of help to the C.E.D.

Sincerely,

Robert Amory, Jr.
